COMMENTS FROM THE TOWN MANAGER'S OFFICE

Work on the Grover Hill Town Road Improvement began Friday, August 31. Last week I reported on the financing of town road improvement. The state furnishes the money for town road improvement and also sets up certain specifications for the towns to follow. The finished road must be 16 feet wide and have at least eight inches of gravel base. These are the minimum requirements. The last few years Bethel has been building the town road improvement 18 to 22 feet wide and eight to twelve inches of gravel base. This has been accomplished while the town was staying within the \$6000 per mile maximum. The maintenance and plowing of these roads will be reduced and the town will be better off in the long run.

The tax bills were sent out about three weeks ago and about 12% of the taxes have been paid to date. This is about the same as the three week total a year ago. Of course the tax bills went out about a month earlier this year so actually the Sept. 1 figure is way ahead of the Sept. 1 figure of 1961.

FUTURE HOMEMAKERS TO HOLD TRAINING MEETING

Bryant Pond Conservation Camp will be the setting this week end for the annual Future Homemakers of America Leadership Training Conference. Linda Nickerson, a senior at Gould, holds the office of District Chairman and will receive training which will enable her to assume the duties of this office. Jane Cook, a sophomore, will take part in reporting on the national convention which she attended in Salt Lake City, Utah, this summer. Both girls are chapter officers this year, and with 30 other girls attending from all parts of the state will find this a fun-filled, work-packed week end as they swim and "camp out" between the serious sessions of interpreting the new program of work and planning the year's program.

BERT GROVER HONORED BY FORMER ASSOCIATES

Albert S. (Bert) Grover, who retired last month after serving as deputy sheriff 22 years, was honored Wednesday evening at a party given by Sheriff Lassiter and his deputies at the camp of Earl Libby, North Waterford. He was presented with a pocketbook and a retirement card signed by Lassiter and 19 deputies.

Among those spending the holiday week end at Small Point, Hermit Island, were Mr. and Mrs. Guy Parker and family, Mr. and Mrs. Stanley Davis and family, Mr. and Mrs. Ernest Stevens, Mr. and Mrs. Ernest Blake and family, Mr. and Mrs. Kenneth Brooks and family, Mr. and Mrs. Harold Rolfe and family, Mr. and Mrs. Richard Bean and family.

A pre-school lawn party was held at Jane Lutton's on Sept. 3. Attending were: Cindy Freeman, Dwight Lord, Kathy Kittredge, Al Grover, Linda Paine, Eric Paul, Carol Flint, Dick Jacobs, Vivian Brown, Dicky Paine, Lorraine Eames, Bobby Clemons, Nancy Fox, Larry Jacobs, Jeanie Robertson, Jimmy Davis, Gertrude Waldron, Steve Dock, Mary Jo Clemons, Gene Tobberts, Danny Davis, Vicki Robertson, and the hostess.

Bethel Scout Fund Drive Starts Thurs.

The annual drive for funds to help support the Pine Tree Council of Boy Scouts will kick off on Sept. 13 with a short meeting of all solicitors at the chapel of the Congregational Church.

All fathers of scouts and friends of scouting are requested to attend. The meeting will begin sharply at 7 p. m. when the list of homes to call will be distributed. At 9 p. m. following the calls, the group will return to the church to turn in the collected funds and enjoy coffee. Two hours from even the busiest person seems like a small effort for such a good cause.

Last year a new record total of \$295.00 was contributed in Bethel. Due to increased costs of Scouting like everything else, the new budget is even higher than last year. Carroll Valentine and Dr. John Trinward, town co-chairmen hope to well exceed \$300.00 this year. They need your help.

BETHEL BABE RUTH TEAM OXFORD COUNTY CHAMPS

For the second consecutive year, Bethel has a champion Oxford County baseball team. This year the Babe Ruth team managed by Don Chretien assisted by Haakon Olson won the championship in a best two out of three playoff against West Paris. Bethel lost the first game 4-3 but won the second and third games 12-6 and 3-2. The winning pitchers were George Nickerson and Randy Chretien supported by Capt. Bernie Rice, Neal Olson, Dick Paine, Tim Hutchins, Alan Curtis, Mike Hutchins, Clayton Rice, Mike Chretien, and Allan Walker.

LOCAL TEACHER ELECTED STATE ASSN. COMMITTEE

Mrs. Elizabeth Lord has been elected to serve on the executive committee of the Association of Teachers of Mathematics in Maine.

The objectives of the association are: to stimulate increased interest in mathematics, to provide recognition for academically minded students, to provide for the interchange of ideas between students and teachers, and to stimulate interest among students in individual study and research.

Knowing the right answers to these questions will help you become a better driver and help make Maine's streets and highways the safest in the nation.

Please direct inquiries to the Maine Highway Safety Committee, Box 567, Pearl Street Station, Portland, Maine.

Select the best answer.

Question:

What should a driver do when he has a blowout? (a) Steer the car on a straight path, let up on the accelerator, and brake when the car is under control. (b) Steer in the direction of the swerve, and brake slowly. (c) Steer in the direction of the swerve, and brake immediately and hard. (d) Steer the car on a straight path, let up on the accelerator, and brake the car immediately and hard.

Answer (a)

There's a beginning and an end to every story. First, you may recognize a cut or "bubble" on a tire if you make it a practice to inspect your tires regularly. You may avoid having a blowout on the road. When the car is on a grease rack is a good time to check the tires.

If a tire blows out, it is extremely important to keep control of your car and yourself. This is a situation which requires presence of mind.

What follows a blowout?

It depends on which tire blows out. A rear-tire blowout sways the rear end of your car from side to side. If the right front tire blows out, your car swerves to the right; if it is the left front tire, the car swerves to the left. In any case, steering is very difficult.

Steering is the important thing. Grip the steering wheel firmly and try to keep your car in as straight a path as possible. Do not brake, but let up on the accelerator. Only when your car is under complete control should you begin to brake. Apply the brakes very gently and slowly, keeping the

car in gear so that the engine helps slow down the car.

The end of this story? It was literally that for many motorists who stopped suddenly in trying to save tires that had gone flat. They did not drive their cars off the roadway to a safe spot to change a tire. They or their cars were hit by other vehicles. Important at any time, moving off the road to change a tire or to make other repairs is vital at night.

We do not need more intellectual power, we need more spiritual power.

IN AND ABOUT BETHEL

—continued from page one

Families who have spent the summer months camping at Littlefield Beaches have returned home include: Dwight Morrills, Richard Blakes, Guy Parkers, Donald Crosses, Charles D. Merrills and Robert Kenistons.

It would seem to come within the "Service" province of the Bethel Health and Service Council to render public recognition of the value of the Sunday night band concerts to the players and the community. There has been an appreciative

and pleased audience and the participants have enjoyed an outlet for their enthusiasm. Many thanks to all of them.

Week end guests at E. O. Donahue's were Mr. and Mrs. Arthur Crowe and three sons of Everett, Mass.; Alan Myette, Newton Center, Mass., and William Kiehton of Brighton, Mass. Mrs. Kiehton, Donna and Wayne, who has spent the past month here returned home.

Other guests at the Donahue home on the week end were Mr. and Mrs. Gordon Lombard and daughter of Salem, Mr. and Mrs. Merton Parker and family of Lewiston and Floyd Donahue, Turner.

EVERY LITTER BIT HURTS

Don't be a litterbug! Drop every litter bit in the nearest trash container or your car litterbag. That's how to prevent the pile-up of trash that costs \$50 million a year to pick up from major highways alone. Remember, every litter bit that lands in the litter basket helps KLEP AMERICA CLEAN AND BEAUTIFUL!

Watch Car Instruments To Avoid Being Stranded

By Martha Johnson
Dodge Safety Consultant

So your neighbor ran out of gas the other day and cursing along the highway en route to visit her Mother.

"That'll never happen to you! You're right. It won't. IF you play it smart."

It wouldn't have happened to your neighbor, either. If she was a smart driver. If she was in the habit of periodically taking a quick check of all those gauges and gauges on the instrument panel to make certain the car was in top-notch operating condition.

Whenever you are driving the car, whether it be to the corner grocery or to a neighboring town, check the gasoline gauge frequently—to save a long walk to a filling station.

Keep an eye on the temperature and oil pressure gauges. Watch the ammeter. If the pointer shows "discharge" when the engine is running rapidly, something is in need of attention. By being alert to the position of all gauge indicators, you can save yourself a lot of time and inconvenience.

WIGHT REUNION

Mrs. Kenneth Wight was the hostess for the third Wight Reunion held on Sunday, Aug. 26, at her home in Mayville. Following a short visit there the group gathered at the Bear River Grange Hall in Newry for a picnic lunch which was enjoyed by all.

A business meeting was conducted by the president, Dr. Winfield E. Wight, and a report of the proceedings of the 1960 meeting were read by the secretary, Irene Wight. The same officers were re-elected for the next reunion to be held in 1964 at the home of Mr. and Mrs. Carl Wight in Woolwich. Other business transacted was to bring the genealogy of the Wight family up to date.

After the business meeting a social hour was enjoyed by the families.

Those present were: Dr. and Mrs. Winfield E. Wight and Irene Wight, Thomaston, Conn.; Mrs. John Upton and children, Nancy and John, Watertown, Conn.; Mr. and Mrs. Winfield Wight, Jr., Tampa, Fla.; Mr. and Mrs. Carl Wight and children, Carla, Jean and Ellen, Woolwich; Dr. and Mrs. Harry Wilson, Mr. and Mrs. James Beck and children, Daniel, David, Katherine, Bath; Mr. and Mrs. Harry Wilson, Norway; Mr. and Mrs. Turbar Peel, Rockland; Mr. and Mrs. Willard Wight and children, Nancy and Susan, Camden; Mr. and Mrs. Virgil Wight, Greenland, N. H.

Those from Gorham, N. H., were Mr. and Mrs. Mark Rix, Mrs. Charles Jordan and Mr.

and Mrs. Lewis Reid and children, Lind, Brent and Heather. Mr. and Mrs. Philip True were from Morgantown, W. Va., and Mr. and Mrs. Robert Keen from Kent, Conn.

Those from Mechanic Falls were Mr. and Mrs. Richard Keen and children, Adeline and Richard; Mr. and Mrs. Elroy Curtis, Mr. and Mrs. Sherman Callahan and children, Linda, Cindy, Kelly, and Mr. and Mrs. William Martin and children, Terrance and Kimber, and Mrs. Kenneth Wight from Bethel.

CARD OF THANKS

I want to thank all my friends for the cards and flowers; also the Mundt-Allen Auxiliary for the lovely rose bowl, received during my recent illness at the Norway Hospital.

MISTBLOWER

TO EQUIPMENT

The supervisors of the Oxford County Soil Conservation District have recently acquired a mistblower. This is a gasoline powered machine for spraying. Three important uses are the control of weevils in young white pine stands, control of brush in pastureland and killing hardwoods in a pine stand too small for aerial spraying.

The district will rent the sprayer to landowners for a nominal charge and provide the mixture for spraying. The landowner will provide the labor for operating the blower. Interested landowners may call Norway Pilgrim 3-2114 for further information.
